Dear Valued Customer,

Beginning with November 2025 Bills, which include charges for usage as early as September 16, 2025, Becker-Jiba Special Utility District customers will see an increase in rates and monthly customer charges.

Throughout the next few months, we will be working on evaluating and providing the exact new rate. At a minimum, the rate may increase \$10.00 in 2025 and \$7.00 in 2026. These rate changes are necessary for Becker-Jiba SUD to continue providing a reliable water service to our customers.
